

BOSTON BAR ASSOCIATION BUSINESS LAW PRO BONO PROJECT

Application for Assistance

This application is designed to provide the BBA Business Law Pro Bono Project with enough information about an organization and its legal needs so that an appropriate and effective referral can be made to one of our volunteer attorneys. Follow-up conversations are often needed to supplement the written application. *Making a match between an organization and an attorney generally takes between 2-4 weeks.* There is an application fee of \$75.00 (for start-ups) or \$150.00 (for established nonprofits) due upon making application. This fee, minus the charge for any seminar attended, will be refunded if we are unable to place your case with a pro bono attorney.
