

2021 Litigation & Advocacy Leaders Conference

July 27-29, 2021 | Virtual

<http://www.nlada.org/2021LALC>

NLADA’s Litigation and Advocacy Leaders Conference brings together civil legal aid and civil rights practitioners from across the country to learn from each other and share strategies to address critical issues affecting low-income people and communities, through litigation, strategic advocacy and other tactics. This year’s program is informed by insights from program directors and national subject matter experts, litigators, and policy advocates. Programming will address urgent and emergent issues in the face of the ongoing pandemic, fight for racial equity, and the current political and judicial context.
