

# NOMINATIONS ARE NOW OPEN FOR THE 2022 KUTAK-DODDS PRIZES!

The National Legal Aid & Defender Association (NLADA) bestows the prestigious Kutak-Dodds prizes annually at its Exemplar Awards Gala to honor the accomplishments of one civil legal aid attorney and one public defender who, through the practice of law, are reinforcing the principle and reality of justice for all under the law. The Kutak Foundation values equity, diversity and inclusion and through this process seeks to develop a diverse pool of nominees and awardees. Each prize carries a cash award of \$10,000.

Please plan to join us for the **2022 Exemplar Awards Gala in June 2022** where we will honor the Exemplar Award Honorees, the **Kutak-Dodds Prize winners**, and the Beacon of Justice awardees.
